Rules of Play

ALL PLAYERS MUST FILL OUT A LIABILITY FORM TO PARTICIPATE

- The format of the tournament will be a (two) game guarantee on Saturday June 26th. **All teams will be required to monitor the tournament bracket and arrive at least 30 minutes before game time.**
 - Each game shall be 18 minutes in length and will be running time, (Except the last minute).
 - If Time expires, the team leading at that time will win the game.
 - If the game is tied at the conclusion of time there will be a sudden death play-off with a coin toss to determine who begins with the ball.
 - While there is no shot clock, teams are not allowed to "run time" without looking to score the ball. If the official determines that a team is "killing the clock," possession will be awarded to the other team. This is at the sole discretion of the official.
 - Possession will be determined by a coin toss before the start of each game.
 - The court official has final say as to points, fouls and any other questions on play. There will be an official scorer who will advise the official.
 - Each team is allowed a total of 7 fouls per game without penalty. The eighth foul and each foul thereafter will cause that team to lose 1 point and possession. (except in the last minute) If a player is fouled and makes the shot with continuation, the shot will count and the ball will be awarded back to the team. If that foul is the 7th or more, the loss of point will also occur. (except in the last minute)
 - Substitutions are unlimited on each stoppage of play by checking in with the referee.
 - Possession will change following each made basket. We are not playing "winners outs."
 - Unless otherwise noted above - high school rules will govern play. The game official's ruling are final and the Tournament Director will make all final decisions on schedule, brackets, etc.
 - Dunking and hanging on the rim is strictly prohibited.
 - Teams are required to wear consistent colored uniforms. Numbers are not required.
 - Time will be stopped for any injury (requiring attention) for no more than 1 minute. Time will be restarted after 1 minute in an effort to stay on schedule.
 - The final minute will be stop time. During this & any overtime, on all fouls, free throws will be taken accordingly.
- (Regular High School rules apply, that includes regular foul rules, NO minus points in last minute or O.T.)**
- A Technical foul is worth 2 Team fouls and applied accordingly!

The other team will be awarded two free throws - each worth one point and the ball. Any player who receives two technical fouls is disqualified for the remainder of the tournament. Any team receiving three technical fouls automatically loses the current game and is disqualified from finishing the tournament.
